Professional Summary

AEM Lead Engineer with 6+ years of experience in developing custom components, editable templates, experience fragments, content fragments, sling models, services, and servlets. Extensive experience in migrating legacy sites to AEMaaCS. Strong technical expertise in Java, AEM, Groovy and related front-end technologies.

Professional Experience

Tech Lead | HCL Tech (Remote - Hyderabad) | August 2022 – Present

Projects/Clients: Fiserv, Mastercard, T-Mobile(Adobe)

Key Responsibilities:

- Migrating old sites to AEMaaCS.
- Developed custom scripts and worked on repo init modifications (OSGi), component upgrades, dynamic media, and brand portal.
- Involved in Cloud Manager activities like environment variables and GIT activities.
- Created automation scripts (servlets) for auto-translation (i18n), template resource changes, and dynamic media workflows.
- Worked on AEM Groovy scripts for crucial CRUD operations.
- Addressed Java vulnerabilities based on BPA and Sonarqube reports.
- Developed GraphQL queries for content fragments and custom scripts for enabling plugins in CFM RTE.
- Achievements: Received **HCL-ERS Champion Award** (June 2023) and won a **Value Creation portal** award for proposing React-AEM integration.

Senior System Engineer | IBM (Remote - Hyderabad) | November 2021 – August 2022

Projects/Clients: Abbott Labs, Internal Projects

Key Responsibilities:

- Developed custom components, servlets, and experience variations for styling systems.

- Led critical project activities, delivering within tight deadlines.
- Managed global components mapping in a migration project.
- Achievements: Received **Business Unit Performance Award** in 2021.

Senior Systems Engineer | Infosys (Hyderabad) | February 2019 – November 2021

Projects/Clients: PwC, M1, Internal Projects

Key Responsibilities:

- Created custom components, developed scripts for Ajax calls, and designed HTML-based forms and services.
 - Collaborated with the ServiceNow team on API data formats.
 - Achievements: Received **Digital Exemplary Award** for outstanding contribution as a promising newcomer.
-
